Registration number: _____ Company: _____

Operational need given: Yes No

The operational necessity in this context can only be determined by the guarantor of the FKB or airport-based company for obtaining a vignette, if it is not possible to carry out the activity in the critical parts of the security-restricted area without the use of a vehicle. Driving in the critical parts of the security restricted area may only take place on the basis of an operational assignment. This does not include the mere arrival and departure of employees to the workplace. For non-campus companies a guarantor of an airport-based company must be named. The Central Identification Office / Registration must be informed in writing about the guarantor.
